MISSION

Managing Complex Enterprise Problems

Prescient Global Solutions (PGS) is a professional services firm that helps companies and federal organizations manage complex enterprise issues and catalyze positive transformation. We support the Department of Defense, Department of Veterans Affairs, State and Local Governments, and the private sector. PGS is widely recognized as an industry leaders in language and professional services.

PGS has primed more than 10 contracts and teams with prime contractors looking for competitive advantage with PGS past performance and set-asides. Since 2015, PGS has supported disaster relief and humanitarian missions, as well as managing scientific, construction, and IT projects.
