MISSION	**Managing Complex Enterprise Problems** Prescient Global Solutions (PGS) is a professional services firm that helps companies and federal organizations manage complex enterprise issues and catalyze positive transformation. We support the Department of Defense, Department of Veterans Affairs, State and Local Governments, and the private sector. Prescient is widely recognized as an industry leaders in language and professional services. PGS has primed more than 10 contracts and teams with prime contractors looking for competitive advantage with Prescient's past performance and set-asides. Since 2015, Prescient has supported disaster relief and humanitarian missions, as well as managing scientific, construction, and IT projects.
The Prescient Edge	✓ Erased 2-year translation backlog at the VA in 10 months. ✓ Provided an underserved community of deaf/hard of hearing citizens in Puerto Rico with vital hurricane and earthquake response information for FEMA. ✓ Worked with USFWS to innovate and revamp IWMM Program, leading to immediate increased coordination, data-sharing and program focus. ✓ Created 24/7 worldwide remote interpreting and translation network in under 48 hours
